CHAPPELL INSURANCE AGENCY, INC.  
K & K INSURANCE GROUP

This ISA program provides the general liability coverage for bodily injury, property damage, and personal injury claims for which you are legally obligated due to the negligent acts of ISA.

Coverage is provided with a limit of \$2,000,000 per occurrence. Coverage is written on an occurrence form, not a claims made form.

The ISA liability insurance program provides coverage for lawsuits brought by injured participants. This coverage is crucial, and is excluded on many general liability policies written today.

**FULL SEASON COVERAGE - \$350**

The cost for full season coverage is \$350 per additional insured. Coverage is in effect during any ISA sanctioned activity and will expire 12-31-2012. The premium is fully earned upon certificate issuance.

**Refunds are not available.**

**WEEKEND COVERAGE - \$100**

Coverage may be written for one weekend (maximum of seven consecutive days) for \$100 per weekend. A field/facility owner can purchase weekend coverage only twice in a calendar year. If more than two weekends are needed, they full season coverage must be purchased. The premium is fully earned upon certificate issuance. **Refunds or transfers to other dates are not available. No credit will be given from weekend coverage to full season coverage.**

**SPECIAL NOTES**
